341-484 Link only mode bug

[341 Test Scripts](#)

ID	Description	Expected Results	Test Result	Notes
484-0001	Enable link only mode for a channel by supplying the channel for the parameter	- The bot will respond with a success message - The bot will set the link only mode setting to the channel id		
484-0002	Disable link only mode by not supplying a value for the channel parameter	- The bot will respond with a success message - The setting will be reset		
484-0003	Change link only mode to a different channel	- The bot will respond with a success message - The setting will now be the new setting		
484-0004	When link only mode is disabled	- The bot shouldn't do anything to the message sent		
484-0005	When link only mode is enabled AND NOT set to current channe	- The bot shouldn't do anything to the message sent		
484-0006	When link only mode is enabled AND set to current channel AND message is NOT a link	- The bot will delete the message		
484-0007	When link only mode is enabled AND set to current channel AND message is a link	- The bot shouldn't do anything to the message sent		
484-0008	When link only mode is enabled AND set to current channel AND link is not just a link	- The bot will delete the message
